

We would hereby like to invite you to the information evenings of international humanitarian organisation Doctors without Borders/Médecins Sans Frontières/Lékaři bez hranic.

During the information evening, you will learn more about MSF in general as well as our work in the field, living conditions on mission, and so on. Experienced field staff will be there to share their experiences and answer any questions you may have.

The information evenings last for approximately 2 hours, are in English, and take place in Prague, Brno, Bratislava, or in the form of online webinars.

You can see the dates and locations for upcoming information sessions here

Attending an information session is the first step in our recruitment process for field staff. We look forward to seeing you there!

Kind regards,

The Czech HR team, Médecins Sans Frontières/Lékaři bez hranic
